**Notice of Fuel Surcharge Adjustment**

Dear valued customers:

According to the fuel surcharge adjustment mechanism introduced by Hong Kong Civil Aviation Department, Air China Cargo will adjust its fuel surcharge for cargo originated from Hong Kong, with effect from 01July2021(Base on flight departure date):

	Fuel Surcharge
Long Haul	HKD 2.0
Short Haul	HKD 0.6

Please be noted above surcharge is based on chargeable weight and AWB issue date, you may find detailed information of CAD mechanism for your reference.
