Re : Alitalia Cargo Fuel Surcharge

Dear Valued Customer

We wish to inform with effective from 01st November 2019, Alitalia Cargo (AZ) will be adjusted the fuel surcharge (MYC) for all AZ flights out of Hong Kong to all long-haul points at HK\$1.50 per kg.

The Fuel Surcharge is based on chargeable weight and departure date.

For more details on this fuel surcharge mechanism can be visited via CAD official website: <http://www.cad.gov.hk>

Thank you for your cooperation and continued support.

Yours sincerely,

Martin Ngai
Commercial Director Asia
