

*Dear all appointed agent,*

*Effective Jan 1, the fuel surcharge for shipments originating in Hong Kong will adjust from HKD 1.10/kg to HKD 1.50/kg. This surcharge is levied within guidelines provided by the HKG Civil Aviation Department as published in the "Maximum Levels for Fuel Surcharge" for Jan 2020.*

- **The revised fuel document is attached to this message, and will soon be updated on the [aacargo.com](http://aacargo.com) website.**
