16th December 2019

Dear Customer

In furtherance to Hong Kong – Civil Aviation Department (CAD) directive regarding the application of Fuel Surcharge to all shipments originating from Hong Kong, Emirates SkyCargo will continue to levy a Fuel Surcharge at HKD 1.50/Kg for long haul and HKD 0.40/Kg for short haul routes applicable on the chargeable freight weight effective 01 January, 2020.

The Fuel Surcharge will be as per guidelines mandated by the Hong Kong – CAD and changes if any will be intimated as and when applicable. More details on this Fuel surcharge mechanism can be sourced from HKG – CAD official website -

http://www.cad.gov.hk/english/cargo_fuel_surcharge.html

Fuel Surcharge applicability is determined based on the issue date of the AWB.

Emirates SkyCargo remains committed to the needs of our customers and to the highest standards of service delivery.

Please do not hesitate to contact us for further information.

Yours Sincerely

Emirates
