SUBJ : **RESUMPTION OF CARGO FUEL SURCHARGE**

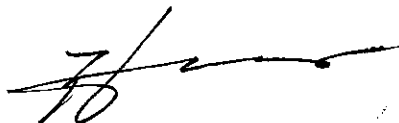

After touching its lowest level last year, oil prices reverse the course of sliding and creeping up to a level that airlines may again levy cargo fuel surcharge. In view of this, Korean Air is going to resume collecting the once-suspended cargo fuel surcharge which will be in compliance with the fuel surcharge mechanism. Level of fuel surcharge has been published on HKCAD's website and it will be imposed to all consignments, *except consignment rate at the applicable Minimum Charge*, with effect from **1<sup>st</sup> February, 2021** and it should be applied according to *Chargeable Weight* of each Air Waybill and in accordance with the following rate table hereunder:

Area 1	North America, South America	HKD0.20/kg
Area 2	Europe, Middle East, Africa	HKD0.20/kg
Area 3	South Pacific, Southwest Pacific	HKD0.20/kg
Area 3	Asia (not including South/Southwest Pacific)	HKD0.10/kg

Kindly relay the above information on to your staff and customers. Should you have any queries, please contact our Cargo Sales Team.

Thank you very much for your kind attention.

Yours faithfully,  
For and on behalf of Korean Air
