Fuel Surcharge Adjustment Notice.

Dear Mr. Lam,

In accordance with the Civil Aviation Department's (CAD) cargo fuel surcharge mechanism, Lufthansa Cargo is levying its Fuel Surcharge, effective 01 February 2020, from **HKD1.50** to **HKD2.00** per kg chargeable freight weight. Please note that the AWB issue date, not the flight date, determines the applicable Fuel Surcharge.

Please do not hesitate to contact us for further information. We look forward to continuing our good working relationship with you.
